Note: Each paper must have its own certificate of mailing by "Express Mail".

In re Application of Lueng, et al.
Application No. 09/921,296
Filed: August 2, 2001
Attorney Docket Number: HRL069

This notice is in response to a presently unreviewed Unavailable Inventor Petition filed on November 11, 2001 Under 37 C.F.R. §1.47(a).

Attn: Scott M. Ledford

The following contains the Missing Inventor Signature as it pertains to Application Number 09/921,296. The unavailable inventor, Kelvin Lueng, acknowledges receipt of the application and Declaration for signature and now wishes to join the additional inventor of this application. The signed Declaration for Utility or Design Patent Application under 37 CFR.1.16 accompanies this statement. The Applicant requests the currently unreviewed petition be abandoned at this time. As it pertains to our phone conversation on 3/11/2002 at 14:11 Pacific Standard Time, it is the belief of the Applicant that the petition for Unavailable Inventor, filed on November 11, 2001 Under 37 C.F.R. §1.47(a), is now mute and no further fees are due at this time.

Thank you for your assistance in this matter. Any future correspondence should be addressed to Cary Tope-McKay at (310) 589.8158 or by mobile phone at (310) 383.7468.

Respectfully submitted,

Cary Tope-McKay
